Türkiye

Biography

Aslı ÇALKIVİK

I received my PhD at the University of Minnesota and I am currently an assistant professor at Istanbul Technical University, Turkey.

My research converges around two themes: contemporary politics of security, war, violence, on the one hand, and politics of knowledge production, disciplinarity, possibilities for decolonizing IR, on the other.

Education Information

Doctorate, University Of Minnesota-Twin Cities, United States Of America 2003 - 2010
