Yoksis Researcher ID: 223524

Biography

I am an applied economic modeler with research interests concentrated on property markets, long-run demographic change and environmental & energy issues. My research on environmental & energy issues attempts to assess the impact of natural gas prices on the costs and benefits of regional climate policy. My research on property markets has focused on the effects of environmental amenities on residential housing and the application of dynamic computable general equilibrium (CGE) modeling to commercial property market analysis.

Education Information

Doctorate, Colorado State University, Ekonomi, United States Of America 2008 - 2014

Postgraduate, Colorado State University, Ekonomi, United States Of America 2005 - 2007

Undergraduate, Michigan State University, Tarih, United States Of America 1997 - 2003

Foreign Languages

Russian, B2 Upper Intermediate

English, C1 Advanced

Dissertations

Doctorate, Three applications of regional CGE models, Colorado State University, Liberal Arts, Ekonomi, 2014

Research Areas

Social Sciences and Humanities, Economics, Economic Policy

Academic Titles / Tasks

Assistant Professor, Istanbul Technical University, İşletme, Ekonomi, 2018 - Continues

Assistant Professor, Istanbul Technical University, İşletme, Ekonomi, 2014 - 2018
